

## PRESS RELEASE

### **A NEW HOT PRESS DISTRIBUTOR FOR REPUBLIC OF IRELAND.**

Hot Press are pleased to announce the appointment of Andrews Photosystems Ltd as their new distributor for the Republic of Ireland. The Dublin based company are specialist suppliers to the Irish Photographic Industry.

Steve Goodall of Hot Press said "With the ever increasing march towards digital imaging, Andrews Photosystems have gained an advantage through strategically positioning themselves as the market leaders of this area"

Andrews will hold regular demonstrations of the Hot Press JetMounter™ laminator at their premises and sales representatives will also carry samples of Hot Press mounting adhesives and laminating films.

Colm Andrews, Managing Director of Andrews Photosystems, comments, "We are delighted to be associated with the Hot Press range of mounting and laminating products. The addition of Hot Press products to our portfolio further strengthens our ability to supply the Irish Photographic and wide format market with the most comprehensive product range available".

To arrange a demonstration, please contact Andrews Photosystems on 00353 1 830 3436. [sales@ags.ie](mailto:sales@ags.ie) and for further information on Hot Press products please visit [www.hotpress.co.uk](http://www.hotpress.co.uk) 0117 937 5379.
