## Jet Mounter laminating supplies

**SuperJet - Jet Mounter laminating supplies from Hot Press contain pre-cut, easy to use sheets in a choice of seven finishes, plus a double sided mount film. Ideal when used in conjunction with the Jet Mounter - each one offering a professional finish at an affordable price.**

The perfect choice for framers, photographers, copy shops, print or finishing departments - the range of pressure sensitive films contained within each pack can be used to:

- apply adhesive coating to boards
- permanently mount inkjet outputs, photographs or any printed material
- laminate in a choice of gloss, satin, matt, sand, fine linen, kid leather and crush

SuperJet - Jet Mounter laminating supplies from Hot Press come in two convenient sizes, 230mm x 380mm and 356mm x 560mm sheets - creating less waste and saving money.
